ERASMUS+ HIGHER EDUCATION PROJECT · 2026 – 2029

# From classroom to climate action

How 140 university students from 8 countries become Climate Citizens – and build real solutions for the planet

**Meet us at COP31 · Antalya, Türkiye**

THE STUDENT JOURNEY

## Five steps, three years, one goal: real climate solutions

### 1 LEARN

**Micro-modules**

*WP2 · from Feb 2027*

- 14 short online units
- Climate science, EU policy, green business, AI
- A digital badge after every unit

### 2 TEAM UP

**Local university teams**

*WP3 · Sep 2027 – Mar 2028*

- 16 teams of STEM, business & social-science students
- Workshops and mentoring on each campus
- Local Pitch-Off at 8 universities

### 3 BUILD

**Climate Camp Munich**

*WP4 · May 2028*

- 7 days at TUM with 48 students and 16 experts
- Ideas become working prototypes
- International Pitch Event

### 4 GROW

**Post-camp mentorship**

*WP5 · Jun 2028 – Mar 2029*

- 1:1 mentoring by PhD experts
- Podcasts and AI animations by students
- Prototypes become real projects

### 5 INFLUENCE

**Policy & impact**

*WP6 · Sep 2028 – Aug 2029*

- Policy recommendations for universities
- Online Innovation Gallery
- Info Days in 8 countries

## What students get

**Digital badges + certificate**
with the logos of 8 universities

**A week at the Climate Camp**
7 days in Munich, Erasmus+-funded

**A personal mentor**
PhD experts guide every team

**Their own prototype**
plus a pitch deck for investors

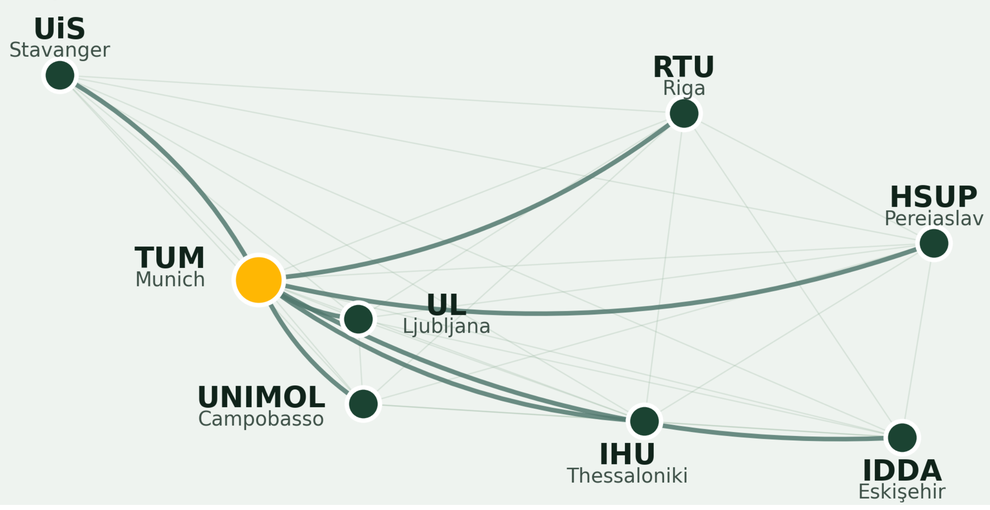

**A European network**
friends and partners in 8 countries

**Youthpass & portfolio**
proof of green and digital skills

## What we will achieve

| | | |
|---|---|---|
| **140** students trained | **16** climate prototypes | **14** open micro-modules |
| **10 + 8** AI animations & podcasts | **1** policy paper for Europe | **10,000+** people reached |

**ONE NETWORK, 8 COUNTRIES**

**LET'S CONNECT AT COP31**

Universities, cities, NGOs and companies: host a student team, mentor a prototype or adopt our open tools.

Talk to us here – or contact the coordinator, **Technische Universität München (TUM).**
